<p><b>10/10/2022</b></p> <p>To: Katy Purvis From: Clive Mason</p>	<p>This relates to the clerestory window and elevation work I discussed with you some months ago.</p> <p>The detailed schedule of works has been prepared. Tim has, very kindly, considered and amended the schedule. His letter of endorsement had also been signed. I shall send both to you at the end of the week. I am in Aberdaron for a few days. One of its attractions is the lack of internet strength!</p> <p>I shall be in touch on Friday and will welcome your further counsel.</p>
<p><b>10/10/2022</b></p> <p>To: Katy Purvis From: Tim Ratcliffe</p>	<p>The proposed work involves repairing clerestory windows damaged by a storm earlier in the year, plus some associated work while the scaffold is in place.</p> <p>Jamie Moore of Recclesia has now produced a schedule of work and I have just written a letter of support, so I think Clive will be submitting an application in the next week or so.</p>
<p><b>14/10/2022</b></p> <p>To: Katy Purvis From: Clive Mason</p> <p><b>With attachments</b></p>	<p>I have returned from Aberdaron and have forwarded the proposed schedule of works, supporting photographs and Tim's letter of support.</p> <p>I am sorry to land you with these on a Friday afternoon. You would be entirely justified in leaving them until next week!</p> <p>Your views would be very welcome before I submit an appropriate application</p> <p><a href="#">schedule of works</a> <a href="#">supporting photographs</a> <a href="#">letter of support</a></p>
